This Australian Institution Profile has been produced as a research initiative of the Australian Council for Educational Research Ltd (ACER) and LH Martin Institute (LHMI). This profile should be read in combination with the ACER and LHMI June 2013 Research Briefing. ACER and LHMI reproduced the data contained in this research briefing from publicly available sources. The data was created by other organisations. To that extent ACER and LHMI do not represent or guarantee the accuracy or reliability of the data contained in this research brief which is produced for your consideration and verification. Where data was not available the indicator in the graph was left blank.
