What is the Tertiary Education Sector?
What should it look like and what needs to change?

So what is a “Tertiary” Sector?

- Program type
- Institutional type
- Student aspiration
- Consistency in funding
• TAFE Institutes to receive CSPs in priority areas of national skills shortage

• TAFE Institutes offer degrees to have access for funding for CSPs

• Tertiary – broad agreement - Diploma

• VET – no agreement

• Not Tertiary – employment

• Secondary – preparation for employment / studies
• TEQSA objectives important
• National skills priorities
• Hopes and aspirations of students
• Breaks sectoral divide caused by institutional type

• Define Tertiary
• Broader provider categories
• Identify teaching sources
• Wider industrial framework
